

Maintaining a Collaborative and Friendly Network Before and During COVID-19

By: Amy M. González Morales; D. Brett Milliken; Haley Q. Traini

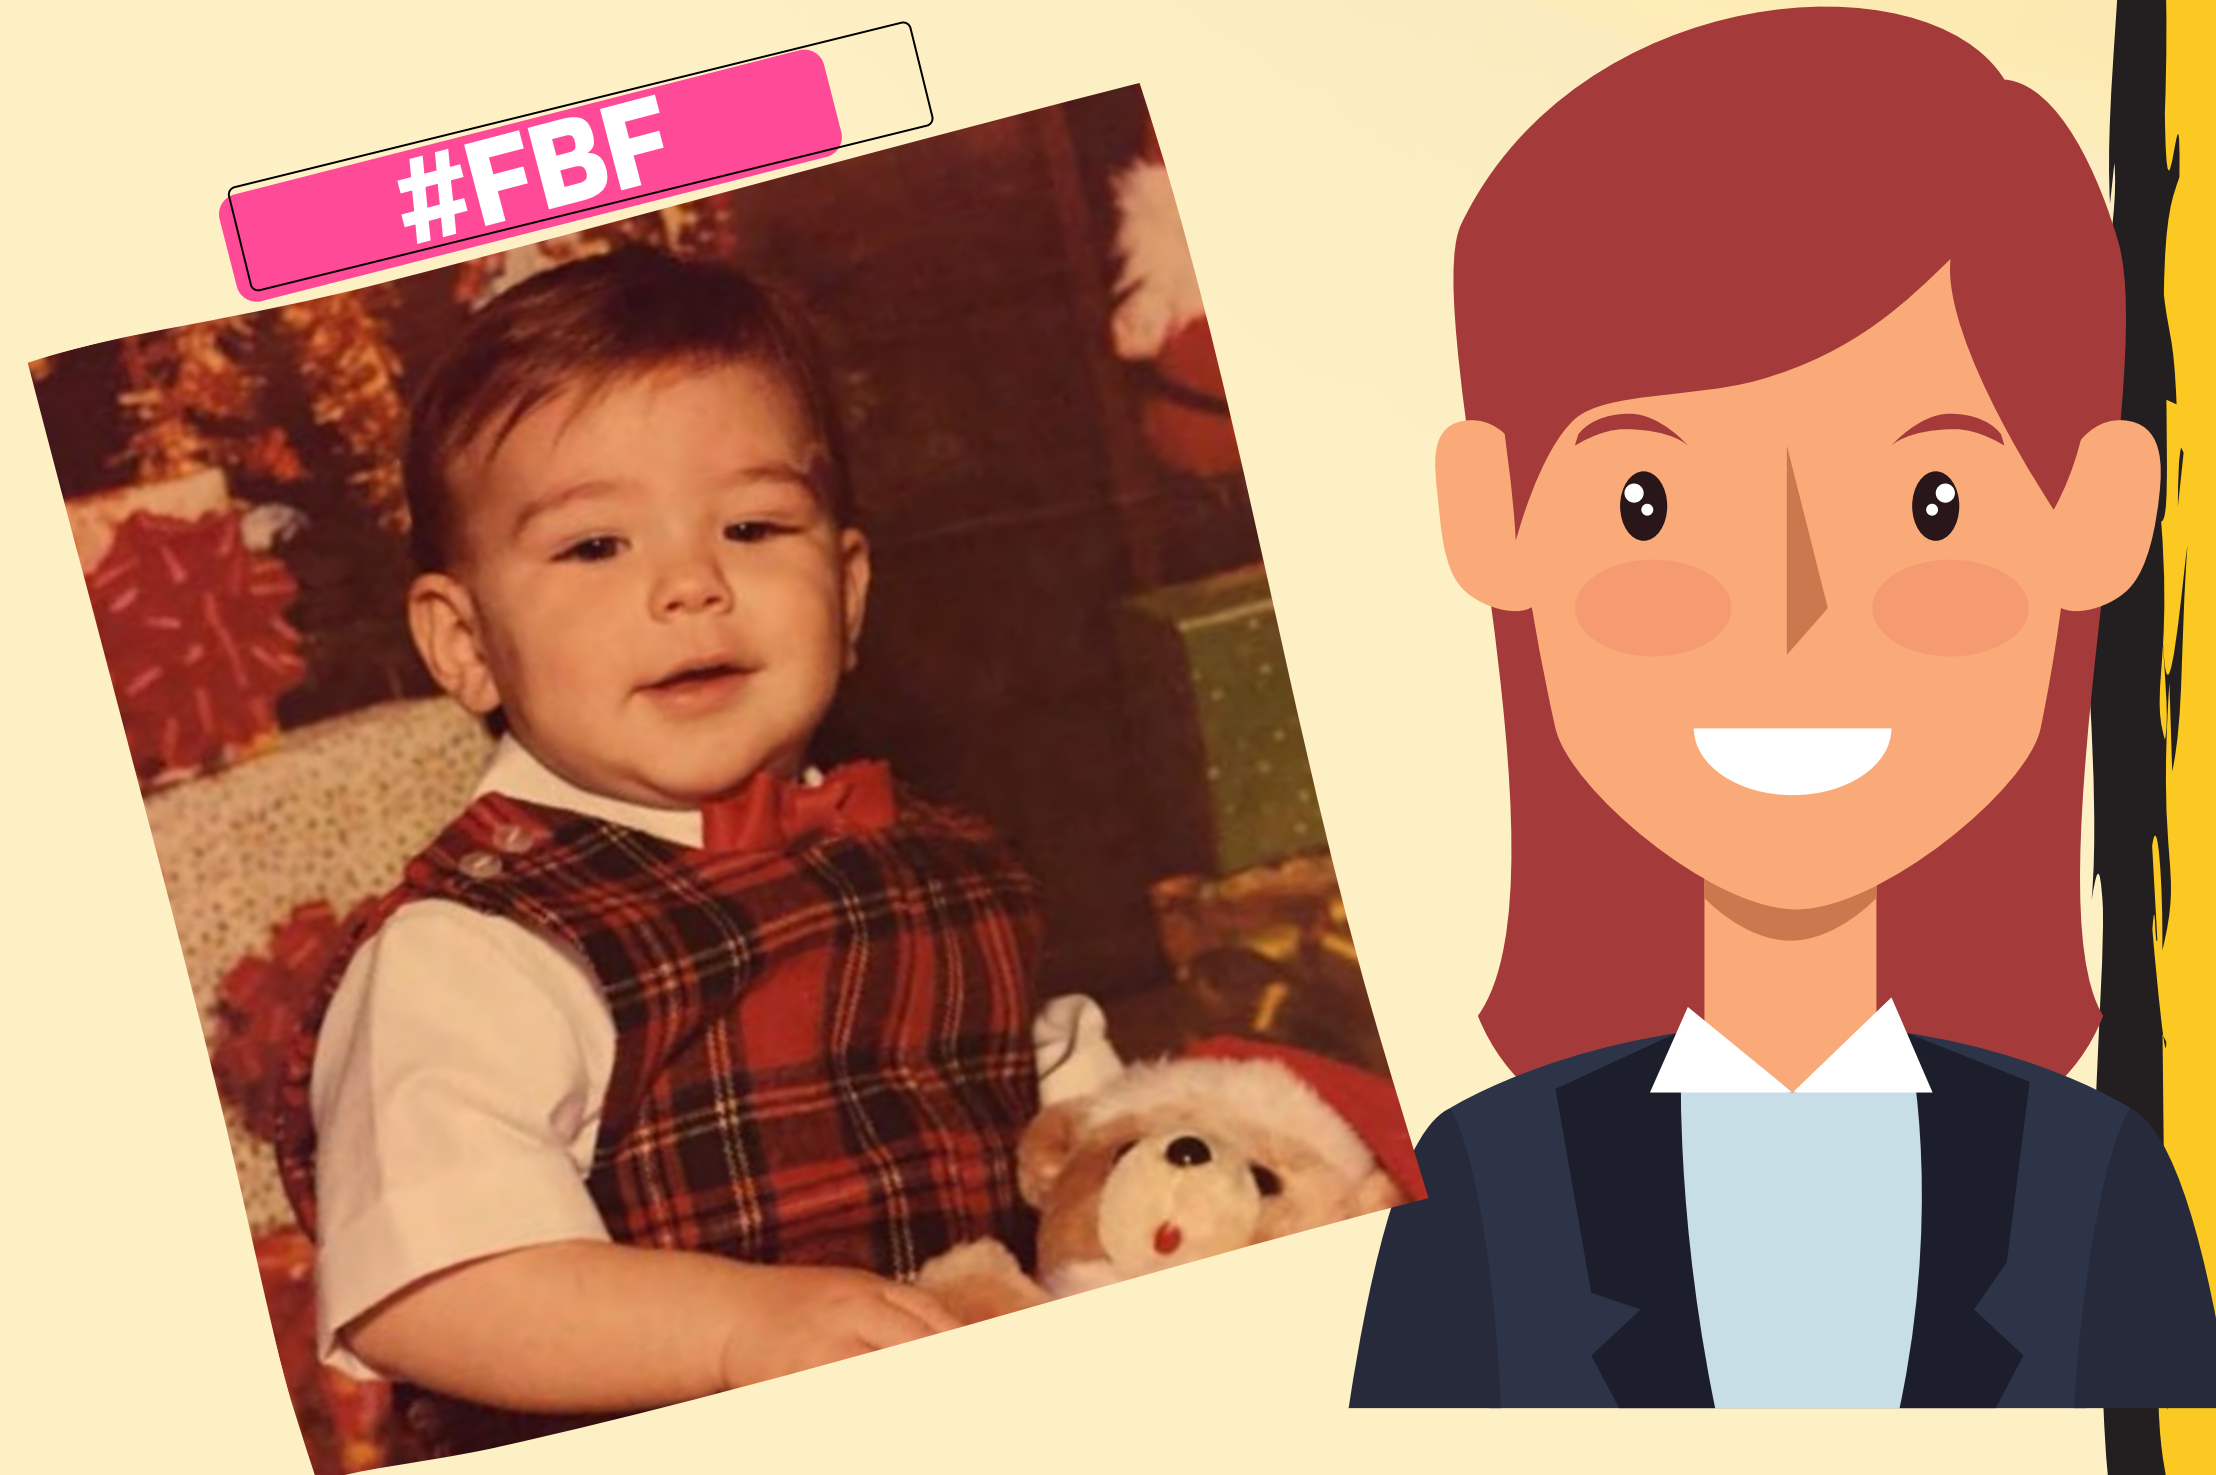

Purpose

Cohesion among workgroups
=
Productivity and a sense of belonging

What have been the results?

- Increase in research and teaching collaborations
- Enhanced professional relationships
- More lively departmental interactions and meetings

My department offers me support, trust, and joy

Department Activities

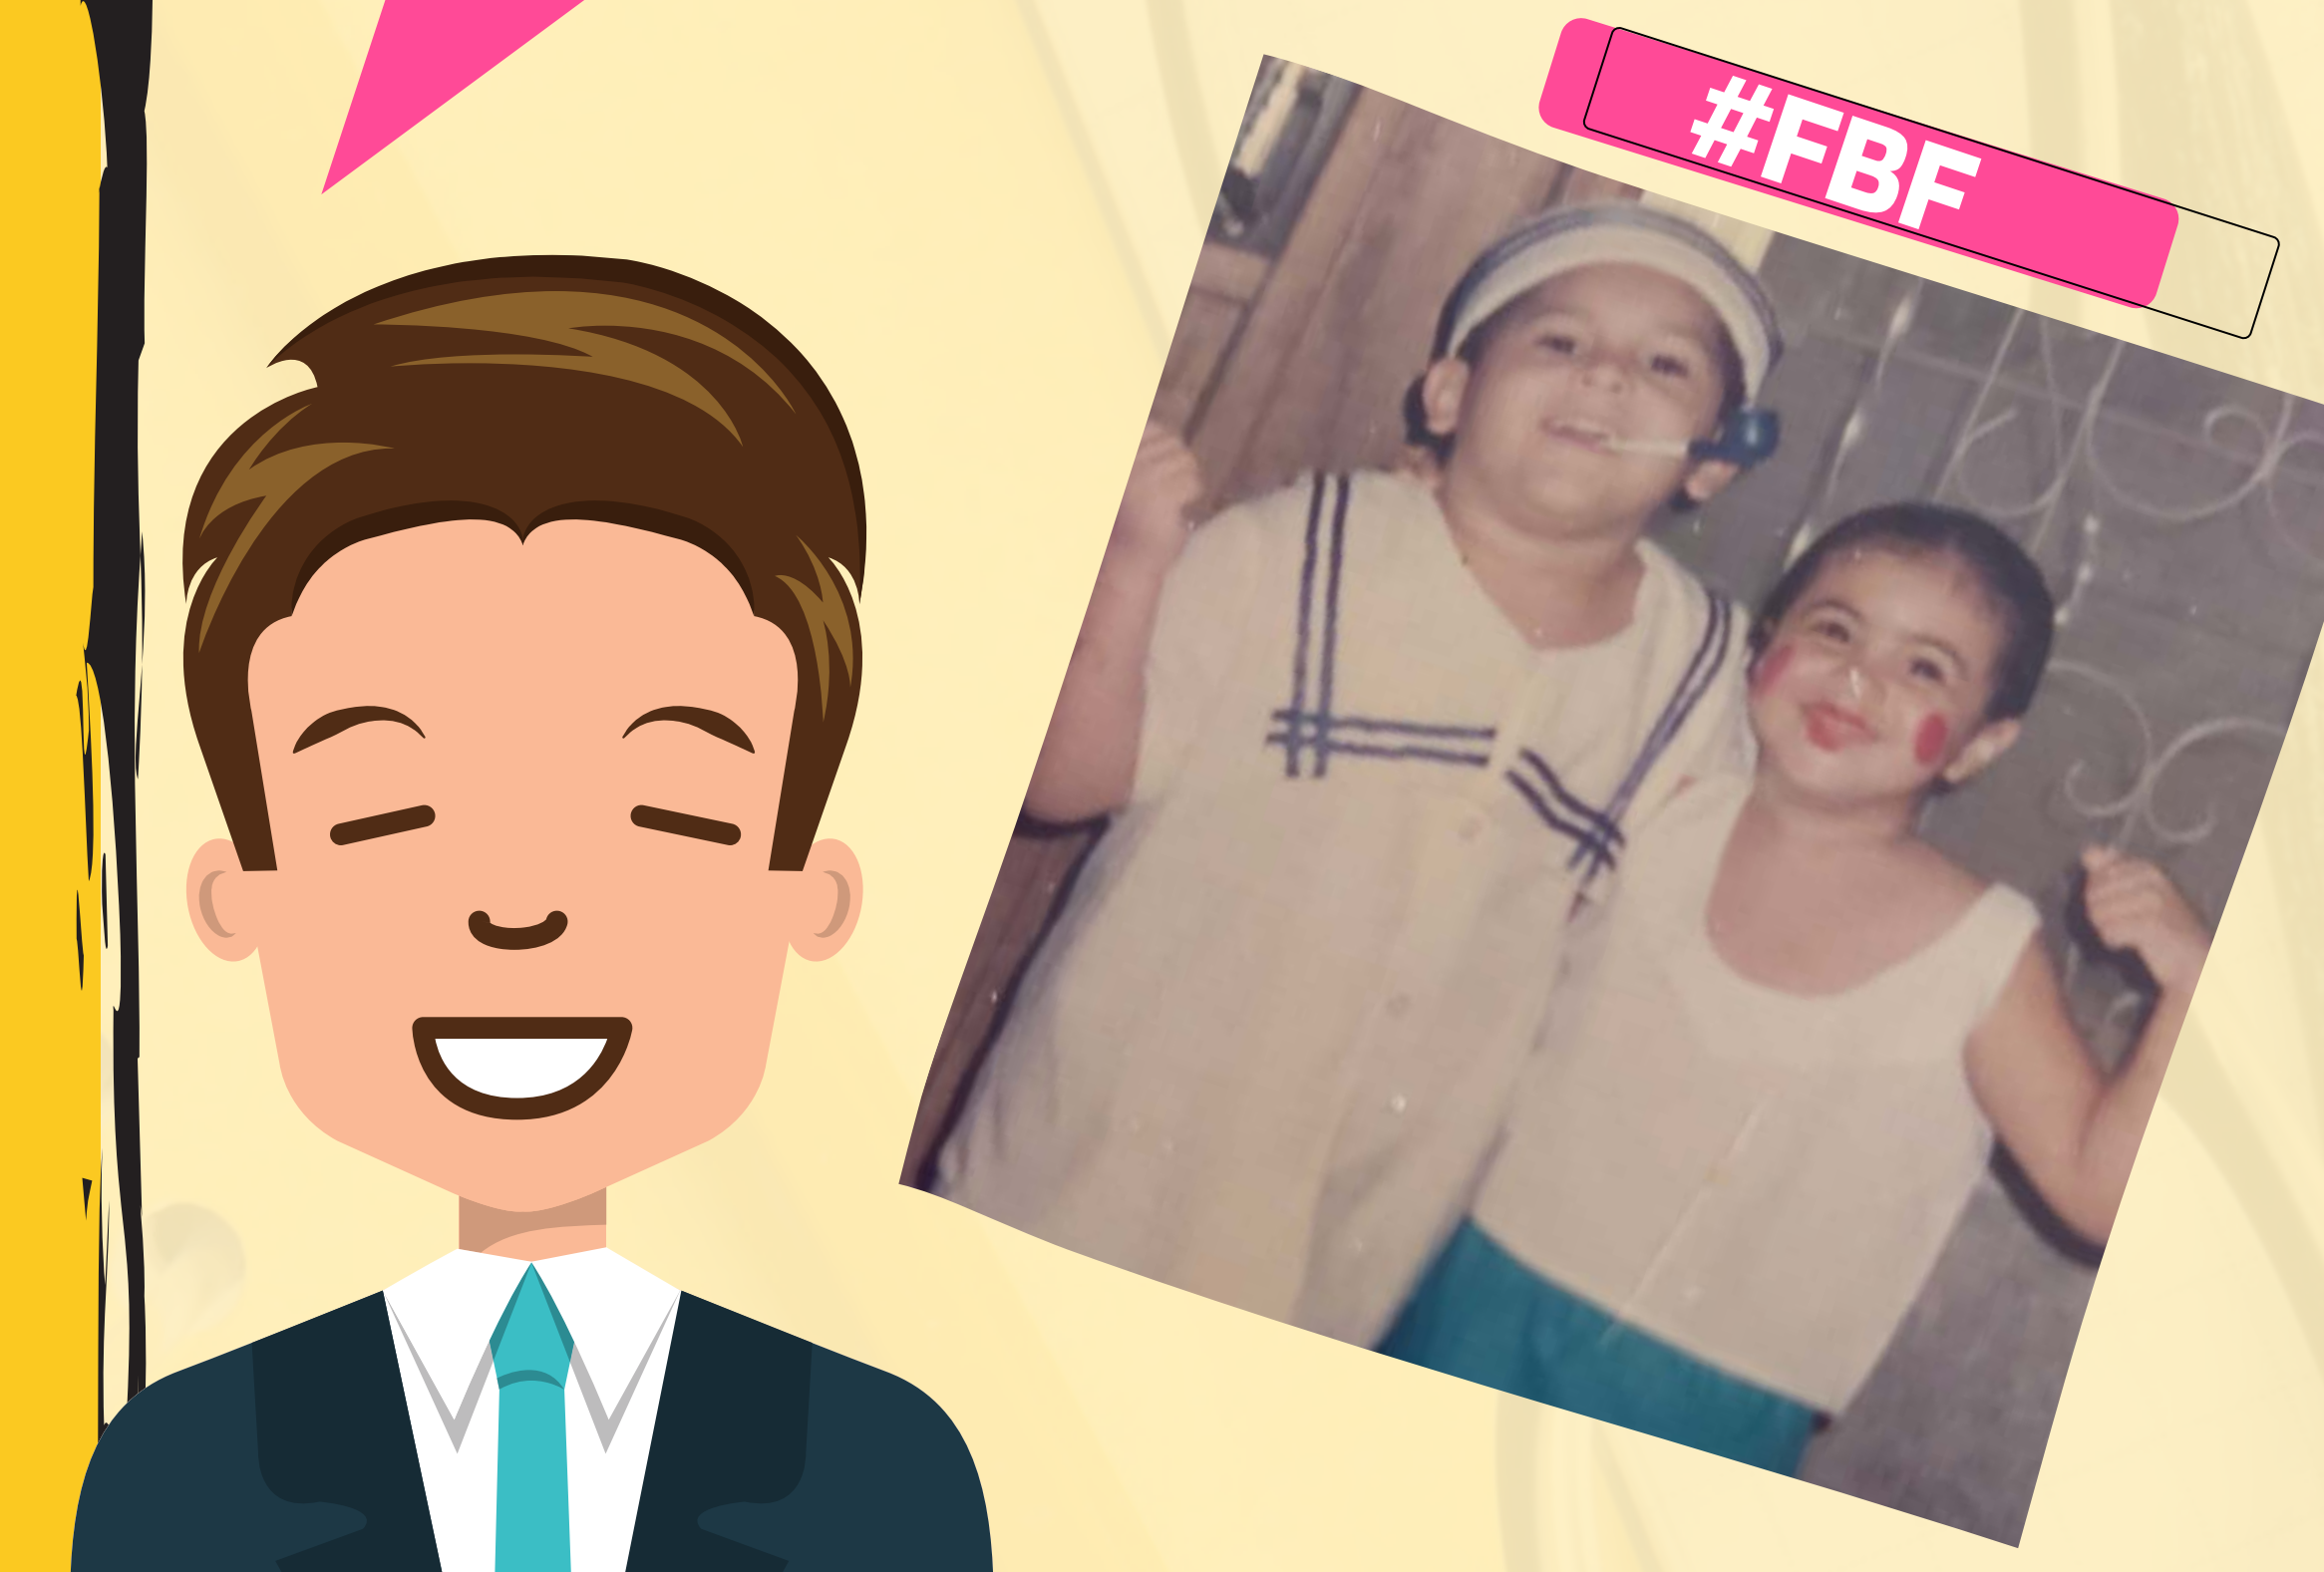

Coffee, Collaboration, and Confidence Intervals

Kudos and Shout-Outs

Flashback Fridays
